FAITH TRUMBULL MEETING.
Miss P. H. Brewster and Mrs. E. E.
Rogers Told of Continental Con-
gress.
The regular monthly meeting of
Faith Trumbull chapter, D. A. R., was
held Tuesday afternoon with the
theme "The Continental Congress."
The meeting was presided over by
Mrs. H. P. Bishop, and opened with
America, Mrs. Annie E. Vaughan at
the piano. After the usual reports
Mrs. Louis D. Wheeler sang the Flag
Song, by Grace Updegraff Bergen and
dedicated to the Daughters of the
American Revolution. Miss Vaughn
accompanied.

Miss Elsie H. Brewster gave an
excellent report of the proceedings of
the recent Continental congress in
Washington, D. C. She spoke of the
great popularity then of these two
songs at the congress. The other
programme is our Emblem, by Mrs.
Harriet Taylor MacCull, dedicated to
Mrs. William C. Story. Miss Brew-
ster said there are over 30,000 mem-
bers of the national society and that
the debt on the beautiful Memorial
Continental Hall building has now
been reduced to \$30,000.

Mrs. Elsie H. Rogers, the other
delegate, gave an account of various
matters before the congress, which
were of special interest to the chap-
ter. One of these was the purchase
of land at the rear of the hall to make
the grounds compare with those of its
neighbors, the Pan-American and
Red Cross buildings. The Pan-Ameri-

ACCUSED OF EMPLOYING A POISONING
Roy Buddington of Groton on Trial in Superior Court—Ar-
senic Meant for Fred Whipple of Poquonoc—Found in
Sugar Bowl—Several Other Cases Settled in Court at
New London.
Trial of the case against Roy Bud-
dington of Groton, charged with as-
sault with intent to kill Fred Whipple
of Poquonoc with a dose of arsenic
on March 4, was started in the
criminal superior court in New Lon-
don Tuesday afternoon. Buddington is
alleged to have put the poison in a
sugar bowl from which Whipple took
sugar daily. Buddington pleaded not
guilty to the charge several days ago.
Judge Shumway presided and the
jurors had heard or read anything
about the case or had formed any
opinion which would prevent their
trial of the case.
The following jury was selected to
try the case: James P. Firestone,
John W. Smith, William P. Bind-
cox, Fred D. Knapp, William P. Bind-
cox, Charles W. Chapman, George
Copp, W. A. Harrison, Lyman D.
Harding, W. N. Sawyer, William Rob-
erts and Hallock Gillett.

Whipple, whom Buddington is
charged with attempting to poison,
was the first witness called by the
state. Whipple said that he was en-
gaged in the business of raising and
selling in Poquonoc on the Centre
Groton road. He said that he had
known Buddington for about five
years, which is the time he had lived
at his present home and Buddington
stayed at his home for about two
weeks in the summer of 1914.
On the day of the alleged attempted
poisoning the witness said that Bud-
dington came to his home only one
o'clock, saying that he was on his way
to Centre Groton to buy some apples.
Buddington stayed there until shortly
after 11 o'clock Whipple said that he
went out to get an armful of kindling
wood, leaving Buddington alone.
The witness testified that he was
in the habit of having his table set
all the time and the sugar bowl
together with the chicken.
After Buddington's departure, Whip-
ple noticed a small quantity of sugar
which he ate each day and he sur-
mised that Buddington must have
taken some of it. Whipple said that
he covered the sugar bowl with a
cloth which was unusual and upon looking
into the receptacle noticed a lump of
something which he took to be arsenic
and was not sugar. His suspicions were
aroused and he took the contents of
the bowl to the police.
After testimony by Fred W. Hewes
as to his examination of Buddington
two years ago, when the man was
committed to the State Hospital, and
by Judge of Probate An-
derson of Groton, court adjourned till
the next morning.

Jail Sentence for Assault.
Frank Chimbroski of New London
was placed on trial in the criminal
superior court in court in the morn-
ing with assault with intent to
murder Anthony Boka of New London
on the evening of Feb. 14. Chimbroski
pleaded guilty to the charge of assault
with intent to murder and was sen-
tenced to 180 days in the county jail.

After the jury had been chosen, Dr.
W. D. Baker, who examined the child
and described the wounds which
he found when he attended Boka at
the public station in the morning,
cutting. He said that he found three
wounds, one of the right side of the
chest about two inches from the spine
and a third on the left side, the other
two being superficial. They were all
stab wounds.

At the conclusion of the testimony
of Dr. Cronin, Attorney Smith stated
to the court that the defendant had
been excused that the jury was willing
to plead guilty to the charge of simple
assault.
State Attorney Hull agreed to with-
draw the charge of assault with in-
tent to kill and substitute the charge
of simple assault. The court there-
upon accepted the substitute complaint
and the accused was put to plea on
the new charge and pleaded guilty.

State Attorney Hull presented a
sentence immediately, and Judge
Shumway sentenced Chimbroski to
three months in the county jail.

Boy to Reform School.
Edward Dorsey, 16 year old son of
Attorney Thomas P. Dorsey of New
London, was committed to the state
school for boys in Meriden by Judge
Shumway. Young Dorsey was sen-
tenced for the court on the charge of steal-
ing a bicycle belonging to Eugene Wil-
liam, Jr. of Groton, on April 18.

Dorsey had pleaded not guilty to the
charge of stealing the bicycle, but
the opening day of the court, but this
morning State Attorney Hull said that
he had withdrawn that charge and
substituted the charge of simple as-
sault. The boy was put to plea and
pleaded guilty. Attorney Warren B. Burrows,
who appeared for the boy, was ex-
cused and the case was dismissed.

In the case against Lewis Bargo,
States Attorney Hull made a statement
that the man had separated from
his wife and that the woman had
come intimate with a young girl and
they lived together. He was arrested
on the charge of seduction and the
case was continued to permit of Bargo
getting a divorce and marry the girl.
He had obtained the divorce and mar-
ried the girl and moved for a nolle
in the case which was granted.

The case against Fred Spencer,
grand juror of the town of Montville,
charged with assault with intent to
kill Joseph Gallipio last fall was nolled,
States Attorney Hull stating that the
trouble between the two men arose
when Spencer as grand juror went
to Gallipio's home to arrest him,
against the illegal sale of liquor. A
quarrel ensued in which both men
were quite verbally injured and the
last term of the court Gallipio was
placed on trial but after the testimony
for the state was in, he had become
satisfied that the case was not
convicted and the case was nolled.

There was a great deal of conflict-
ing evidence in the case and the
attorneys didn't see how a conviction
could be secured against Spencer. He
moved for a nolle and it was granted
by the court.
